Common Questions About Driven Construction

Frequently Asked Questions

[CONTACT US TODAY](#)

Here are the answers to the questions we hear most often from local homeowners. If you have a question about your specific project that isn't covered here, give Eleazar a call directly!

Are your inspections and estimates completely free?

Yes, absolutely. We provide free, honest property inspections and detailed price estimates for all our neighbors. We will look closely at your project area, discuss your goals, and give you a straightforward, transparent price with no hidden fees and no obligation to buy.

What is the difference between your light and heavy renovations?

How do you ensure my remodeling project stays on schedule?

Do I need to buy my own building materials?

Will you protect my home and clean up after the job is done?

Where are you located and what areas do you serve?

Ready to start your project?

We look forward to working with you! We help bring your vision to life with professional construction services, honest communication, and results you can be proud of.
